New Construction | Residential | Rental Apartments

29 West St, Brooklyn, NY

PTAC

RSNU PTACs

The 19-story, 234-unit tower at 29 West Street has a total of 234 rental apartments and is located in Greenpoint close to the G subway line. The project is one of four towers proposed by SLCE Architect, with two 400-foot towers overlooking the East River, and two smaller buildings situated further inland.

Owner/Developer

Halcyon Management Group; M&H Realty LLC

Architect

SLCE Architects

Packaged Terminal Air Conditioners (PTACs) from Ice Air offer ultra-high efficiency in a durable, user-friendly package for new construction or replacement applications.

RSNU PTACs are a whisper-quiet solution offering exceptional energy efficiency. RSNU PTACs combine advanced features to satisfy LEED criteria requirements with easily programmable user settings for even greater energy savings.

About Ice Air. Headquartered in Mount Vernon, NY, Ice Air develops and manufactures a wide variety of HVAC units for new construction, replacement and retrofit applications. The company's PTAC products are designed to provide years of efficient, trouble-free performance in multifamily housing, hotels/motels, dormitories, commercial buildings and similar projects.
