

Console Hybrid Water-Cooled Air Conditioner – Flat Top

# CHW Series

Ice Air's Console Hybrid Water Cooled Air Conditioners (CHW) independently provide comfort cooling and heating within a room and are often located against walls or beneath windows of a room to accommodate maximum load requirements. These floor console units offer superior performance and are piped to a central water loop.

**Features:**

- Enclosures available in Flat Top or Slope Top configurations
- Enclosure fabricated from furniture grade galvanized steel and finished with designer grade baked powder coating
- Ideal for new construction or replacement applications
- Digital controls
- Factory prepared for full right-hand / left-hand piping capabilities
- Central piping area expedites field layout and piping
- Optional removable chassis
- Full selection of factory-installed piping packages
